ET-Vents

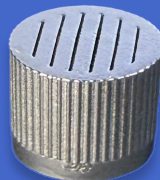

ET-120

height: 10mm
diameter: 12mm

ET-100

height: 10mm
diameter: 10mm

ET-080

height: 10mm
diameter: 8mm

ET-060

height: 10mm
diameter: 6mm

Competitive Advantage

Type of Vents Comparison

Eintrix

Sintered

Slit

Eintrix Vents Advantage

Corrosion Resistance

Excellent

Inferior

Inferior

High Corrosion Resistance

Vent Clogging

Unlikely

Likely

Likely

Reduced clogging
with tapered vent design

Slot Durability

Excellent

Excellent

Inferior

Durable slots while
hammering into the mold

Exhaust Efficiency

Maximum

Moderate

Moderate

Tapered vent design
maximizes gas exhaust

Service Life

Long
Lasting

Moderate

Short

Reduces die down time,
increasing productivity
